CORE Series

SAFETY & SECURITY

Guardian garage door openers are manufactured to comply with the latest industry standards. Our advanced, steel-enclosed, water-resistant, photo-eye system ensures the highest degree of reliability in detecting obstructions during operation.

CLEARCOM® TECHNOLOGY

Your secure code is communicated to your opener over multiple frequencies. This provides a more reliable response when frequency interference is near.

OPTIONAL CONVENIENCE ACCESSORIES

Ask your dealer about adding more convenience and control with your new operator.

Wireless Keyless Entry Keypad

NEVER BE LOCKED OUT

An entirely weatherproof, wireless keypad that allows quick and secure access to your garage door. One keypad can control multiple Guardian garage door openers. Item # WKCC

Deluxe 3-Button Remote Control

FOR MULTIPLE DOORS

Compact modern design, comes with a visor clip. Controls with to three Guardian operators. Item #D3B

Deluxe Door Control Console

MORE CONTROL

Open your door, turn on the lights and set remote security lock-out all from one convenient location. Item # 3-FDCC
