PROSeries

SAFETY & SECURITY

Guardian garage door openers are manufactured to comply with the latest industry standards. Our advanced, steel-enclosed, water-resistant, photo-eye system ensures the highest degree of reliability in detecting obstructions during operation.

CLEARCOM® TECHNOLOGY

Your secure code is communicated to your opener over multiple frequencies. This provides a more reliable response when frequency interference is near.

OPTIONAL CONVENIENCE ACCESSORIES

Ask your dealer about adding more convenience and control with your new operator.

Wireless Keyless Entry Keypad

NEVER BE LOCKED OUT

An entirely weatherproof, wireless keypad that allows quick and secure access to your garage door. One keypad can control multiple Guardian garage door openers. **Item # WKCC**

Premium 3-Button Mini Remote Control

FOR ACTIVE LIFESTYLES

The perfect fit for those on the go, this remote is slender enough to fit in your pocket, purse or on your keychain. Equipped with backlit LED buttons for convenience. **Item # 3BMINICC**

Deluxe Door Control Console

MORE CONTROL

Open your door, turn on the lights and set remote security lock-out all from one convenient location. **Item # 3-FDCC**
